Ainhoa Gonzáles Uriarte, 20 years old, is studying at the University Pontificia Comillas Madrid in Spain. She completed the fall semester 2019 at the PH Zug. Her favourite food in Switzerland is chocolate: "The best in the world!"

Ainhoa Gonzáles Uriarte, what inspired you to come to Switzerland?

The nature and tranquillity but also the variety of languages made me want to come to Switzerland.

How did you experience your time at PH Zug?

The time passed by really fast, but I tried to make the most of it.

What do you remember most about the Teacher Training system at PH Zug?

It is very broad. One must know about every subject and have creative ideas for teaching in content and making the lessons interactive with the students.

How was your accommodation in Zug?

My accommodation has been the monastery "Kloster Maria Opferung". It is located next to the University, with an excellent location and newly renovated facilities. I highly recommend it. It is comfortable and cheap (CHF 450.- per month) and allows you total freedom.

Would you like to add something else?

This experience, living abroad in a completely different environment and out of my comfort zone, helped me discover who I am. I am grateful for that. I will certainly come back. I fell in love with the peace this country transmits.
