

«Everyone was so kind to me»

María Pérez García, 20 years old, is studying at the University Pontificia Comillas Madrid in Spain. She completed the fall semester 2019 at the PH Zug. Her favourite word in Swiss German is “Grüezi”.

María Pérez García, what inspired you to come to Switzerland?

I have decided to come to Switzerland, because PH Zug was a University that offered the opportunity to the exchange students to have some teaching practice.

How did you experience your time at PH Zug?

I liked the experience so much and I felt that everyone was so kind to me.

What do you remember most about the Teacher Training system at PH Zug?

I will remember my English lessons with Olivia Green. I have learnt so much from her and she taught me how to be a good English teacher. This was so helpful to me.

How was your accommodation in Zug?

I lived at the monastery “Maria Opferung”. It is behind the University, you only have to walk like three minutes. It was so good. You have your own bedroom and there is a kitchen to share with the others flatmates. There are also two toilets and two showers to share with the others. It was a good, comfortable and calm place.
