### **Belén Ruiz Santos, what inspired you to come to Switzerland?**

My classmates from Spain that came here last year and having the opportunity to know a new country in which there is so much vegetation and landscapes so impressive.

### **How did you experience your time at PH Zug?**

I really enjoyed my time at PH Zug because I learnt a lot of different things that were different from Spain and specially all the art and music lessons.

### **What do you remember most about the Teacher Training system at PH Zug?**

I found very interesting the methodologies all the teachers have, because they all taught in a very practical way where the main goal is the learning and not a final exam.

### **How was your accommodation in Zug?**

It was good for spending some months in it, but I missed living with other students and having the opportunity to share experiences with them.
