

I don't know.

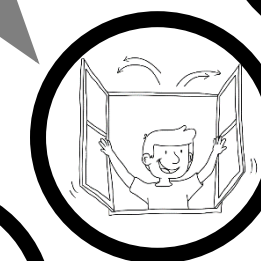

Sorry, I forgot.

Can I go to the bathroom, please?

In English, please!

Can I have a drink, please?

Can you help me, please?

I have finished.
Is this okay?

Can I say it in German?

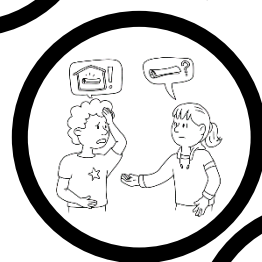

Can you write it on the blackboard, please?

Can I open the window, please?

How do you say this word?

How do you say **Stuhl** in English?

What do we have to do?

Sorry, I didn't do my homework.

I've got a question.
