The image shows a screenshot of the Adobe Express web application. The browser address bar shows a URL from new.express.adobe.com. The interface includes a top navigation bar with 'Herunterladen' and 'Freigeben' buttons. A left sidebar contains various tool categories like 'Suchen', 'Deine Inhalte', 'Vorlagen', 'Medien', 'Text', 'Elemente', 'Collage', and 'Add-ons'. The main workspace is titled 'Medien' and has tabs for 'Fotos', 'Videos', and 'Audio'. Under the 'Audio' tab, there are buttons for 'Von Gerät hochladen' and 'Voiceover aufnehmen', along with a search bar and a list of audio tracks including 'Morning breeze' and 'Wind in the hair'. A yellow callout box with a green border points to the 'Voiceover aufnehmen' button, containing the text: 'Hier kannst du deine Stimme aufnehmen. Vergiss nicht, die Verwendung des Mikrofons zu **erlauben**.' Another yellow callout box with a green border is positioned in the lower-left area of the workspace, containing the text: 'Viel Spass.'
