

Booklet for fluent and native speakers

For the new edition of Young World 4 (2021)

Created by Angela Meier, student at PH Zug

Solutions

3. “Teufelsbrücke”

1. Which kind of bridge was there before the “Teufelsbrücke”?

In 1230 there was a wooden bridge built.

2. Why did they need another bridge?

The bridge was heavily damaged in the Napoleonic Wars and it got terrifyingly close to the water when the river was full.

3. What was the price for the “Teufelsbrücke”?

The devil demanded the soul of the first to cross the bridge.

4. Why was the devil angry when the citizens paid him?

The townspeople sent a scared goat over.

5. Which elements of this legend can you still see today?

Individual answer

6. What do you think about legends in general?

Individual answer
