

## Vocab Videos: Learn and Practise the Class Vocabulary! Young World 4 (2021)

Videos produced by Andrea Lustenberger, PH Zug and primary school Kirchmatt Zug.

In the “Listen and repeat” videos the vocabulary appears in the same order as in the class vocabulary lists in the Activity Book. In some of the videos of part 2 there is sometimes additional vocabulary that helps the pupils master the end-of-unit tasks.

\*= easy \*\* = harder
