

English and French speaking countries

Task 2: Presentations

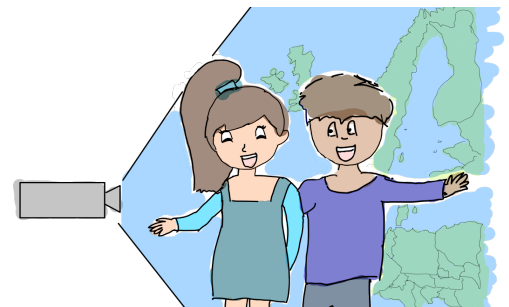

1) Prepare a presentation about a country

- choose a country where English or French is spoken
- research this country
 - population
 - location
 - size
 - national languages
 - etc
- present your country

or

2) Prepare a presentation about a language variety

- choose a language variety from a particular country, for example an English- or French- speaking country
- research this language variety
 - how different it is to “standard (French/English)”
 - how it differs
 - what some special features of the variety are:
 - pronunciation
 - vocab items
 - famous speakers of this variety
- present it

or

3) Plan a two-week trip to different countries and present it

- use the internet to plan a two-week trip to two different (English or French)-speaking countries in the plan, include:
 - itinerary
 - highlights of the trip (with photos)
 - budget
 - map
- present your trip
- watch the other presentations and decide which one you like best
